

SOUTH FIRE DISTRICT BUILDING RENOVATIONS – PHASE II**BID PACKAGE OUTLINE SUMMARY**

Bid packages are to include (but are not necessarily limited to) all required materials, labor and equipment for the following specification sections. Bidders are responsible to review the entire set of documents and include any work necessary to produce a complete scope of work for their respective trade package, regardless of whether the work is shown or may be implied. Sections shown in *italics* are related to the bid package noted and may involve some coordinating work but are not a primary responsibility of that specific package.
